Touch More. Create More.

Intuitive touch. All-in-one

Go beyond the keyboard and mouse. Swipe and tap using 10-point capacitive touch on the Full-HD[1] display. Save space in style with all-in-one PC featuring a sleek, edge-to-edge glass design. Set up with as little as one wire, and free up even more limited space by mounting[3] the HP ENVY23 TouchSmart on a wall.

Powerful performance for your most demanding apps

Thanks to Intel® processors, there's nothing holding you back. Be a multitasking marvel or photo editing whiz. With fast processing speed, you'll have all the performance you need.

Entertainment everyone can enjoy

Sometimes only a face-to-face conversation will do. With the HP TrueVision HD Webcam[1],[2], you always come off looking your best. Even in low light. With Beats Audio™ the HP ENVY 23 TouchSmart is designed for the best-sounding, richest audio available on a PC. So it sounds as amazing as it looks.

1 High-definition (HD) content required to view HD images.
2 Internet service required and not included.
3 Wall mount sold separately. Additional purchase required.

HP ENVY Desktop Series

Top-of-line gaming PC engineered for incredible performance, expandability and speed.

Transform your Game

Fiery Performance

Lightning-fast processors enable seamless multi-tasking from immersive games to high-definition videos to photo editing.

Cinematic Audio-Visuals

The massive 7.1 surround sound capability from Beats™ Audio and the hyper-realistic graphics of the NVIDIA® GeForce® GTX 660 card keeps you at the edge of your seat.

Ultimate Endurance

Keep your cool as the liquid cooling system draws heat from the processors efficiently.

Cutting Edge Design

Sleek armour-style plating with illuminated tower and interior are jam-packed with attitude.

Get up to speed with Windows 8.

We put a library of Windows 8 information at your fingertips, so getting up to speed is a snap. Launch the Getting Started with Windows 8 app that comes with your HP PC, and help is always there for you.
